Hi Jyoti,

As we discussed during our Thursday 4:30pm tutorial class, below is our project architecture as an email. We will convert this email to a pdf and include it as part of our Milestone 2 documents folder in the repository:

Frontend Development:
- **Programming Language:** JavaScript
- **Framework:** React.js

Backend Development:
- **Programming Language:** Java
- **Framework:** Spring Boot

Database:
- **Database Management System:** SQLite

Integrated Development Environment (IDE):
- **IDE:** Visual Studio Code (VSCode)
